

SQL - RSVP MOVIES CASE STUDY

Submitted By:

Swetha

Executive Summary and Recommendations Based on Insights derived from RSVP Case Study Dataset

- Most number of movies have been produced in the month of March. RSVP movies should see if this can be distributed more evenly throughout the year so as to avoid excess expenses.
- Most number of movies produced are in the genre 'Drama', making it the most popular genre. RSVP should continue with this trend and aim to churn revenue from the same.
- Movies in the genre 'Thriller' is also among the top three genres in movie-making. RSVP can further explore this space for diversification.
- RSVP should collaborate with Dream Warrior Pictures and National Theatre Live production companies/houses as they have the greatest number of successful movies as compared to the other production companies.
- Marvel Studios, Twentieth Century Fox and Warner Bros. can be considered for global partner as they are the top three production houses bases on the number of votes received.
- RSVP to consider Star Cinema and Twentieth Century Fox as they have the highest number of successful multilingual movies.
- James Mangold can be hired as the director for RSVP's next project as he has the highest number of successful films.
- RSVP to consider Vijay Sethupathi as their top actor as he has the highest number of successful movies as per average ratings when it comes to movies released in India.
- RSVP to also collaborate with Kriti Sanon as she is amongst the top actresses.
